

Executive Master in International Business (EMIB)

Learn. Connect. Lead Globally.

Step into international management with a programme designed to prepare you for leadership roles in global organisations. The EMIB equips you with strategic, analytical, and decision-making skills required to operate in international markets and multicultural environments.

Why Students Choose This Programme

Study at One of the World's Top Business Schools

Founded in 1819, ESCP Business School is the world's first business school, recognised globally for responsible leadership and multicultural management education.

- Ranked among the top business schools worldwide
- **6 European campuses:**
Berlin, London, Madrid, Paris, Turin, Warsaw
- **90,000+** alumni across 193 countries

You graduate with a brand that recruiters trust.

A Truly International Learning Experience

You will study with participants from over 95 nationalities & collaborate on real business challenges in a multicultural environment. This means you don't just learn international business – you experience it daily.
