MESSAGE FROM VICE CHANCELLOR

Prof. (Dr.) OM KUMAR HARSH

Ph.D. (Computer Science, Univ of New England, Australia), Ph.D. (Semiconductor Plasma Physics, Agra Univ), D.Sc. (Semiconductor Plasma Physics, Kanpur Univ), M. Computing-IT (Univ of Western Sydney, Australia), M.Sc. (Elect. Eng. Univ of New South Wales, Australia), M.Sc. (Physics, Rajsthan Univ, India), Grad Certificate, Chem Instrumentations, Ultimo TAFE, NSW, Australia.

“ It is a great credit to be a part of an educational organization that definitely trusts in preparing strong-minded students to be imminent elites.

I have seen how Glocal University has developed to its present state as a source of superiority education in several areas. We understand the consequences of learning and its related communication procedures, which suggest us to apply these techniques in our teaching environment. We have hired best teachers who are not only the great learners while they are capable to combine their knowledge with the real world scenario. It is astonishing that we are achieving knowledge with skills with the market value and future strategies which would make our students to be able to compete internationally.

Today, when the market stresses a lot more outside just basic skills, a proportion of importance has been placed on the general temperament growth of the scholars so as to allow them to acquire the necessary confidence to face the tasks of the contemporary requirements. An industry oriented, skill subjected and personality related progress combined with latest information technology developments would certainly provide the students the required components to face the modern world. Thus we fulfil the primary objective of providing students what they deserve in this frequent progressing world.

We always think in terms of changing scenarios coupled with the human personalities which would be able to create futuristic mind-set that will shape to a country construction with a robust adherence to commercial morals. A high level research activity along with the inclusion of industrial components is not only prerequisite while it is the need of hour to apply these solutions to newly developed problems.

We call to students to formulate their prospects of the novel millennium at our university in a multicultural environment which not only benefit them at academic, industrial and personal levels while it will also add a new dimension in their career.

I hope that working closely with our students, communities and industries, we are delighted to play not only a management part in inspiring India's creative and traditional life while also, in instrumental revolution and financial affluence which would certainly contribute to advancements in the nurturing the self-governing intellectual of our people. I warmly welcome all students and staff to think beyond the boundary by becoming a part of the Glocal.”

MESSAGE FROM DIRECTOR

Prof. (Dr.) AMJAD HUSAIN

M.S. Ph.D. Post doctorate (Harvard University, USA)
Executive MBA (Harvard Business School, USA)
Professor of Life Science & Biotechnology
CEO, Glocal Technology Park

“ Since its inception, Glocal University has been the incubator of bold ideas—a place where extraordinary people advance education in law, basic sciences, engineering, biotechnology and health care with unrelenting passion.

Whether training tomorrow's engineers, lawyers or scientists, decoding the fundamental nature of life, advancing patient care or improving law education, we are never at rest. With some of the best faculty members studied at best universities in India and abroad, or with valuable industrial experience, we are synonymous with excellence. Toward that goal we have made impressive strides, of which just a few are celebrated here.

This year, the Glocal University joined hands with institutions outside India, pooling their knowledge and creativity more fruitfully than ever before. Recently, we started a program to help our students learn Japanese Language with proficiency, to be conducted at Glocal University and Nagasaki Wesleyan University, Isahaya, Nagasaki in Japan. This will open up job opportunities for our students in Japan. Very recently, we have started the dialogues with TAFE New South Wales Australia to enhance skill development for our students in engineering, agriculture, basic science and mass communications.

We are launching our PhD program in Clinical and Translation Research in collaboration with Glocal Medical College and Super-speciality hospital. Through this unique program, clinicians and basic scientists will engage in clinical research to make discoveries, which could be finally translated to real products and medicines for better treatments of patients for cancer, genetic diseases and other infectious disease. We aim to place students engaged in this program at world's best research institutions and universities.

Our goal is to change the world through education. It may sound idealistic, but this is precisely our mission. We are driven by the belief that every child deserves a high-quality education and that opportunity of education is a basic human right. We are witnessing an intersection of great challenge and opportunities. At the same time, we have tools available today that were unimaginable a generation ago, which could change the very nature of teaching and learning. That is the opportunity.

We aim to develop our students into leading CEOs, academicians, lawyers, clinicians, founders of companies, and leaders in every field including healthcare, technology and education. The tradition of innovation that has marked the university is as vibrant as ever. That we are developing into one of the finest research university, gives us unrivalled opportunities. We are diverse in our outlook and our approach with students across the India and other countries.

Although, rarely other institutions has this opportunity, but with opportunity we must accept the responsibility and seize this moment. The future, is indeed impatient and challenging. With new coming students and fresh ideas, we will begin the next chapter in the life of an educational institution that will continue to be, like no other. Together, we will learn to change the world. Thank you for your interest and support. ”

CREATING A NEW GENERATION OF ACHIEVERS

At the Glocal University, we strongly believe in harnessing the power of knowledge by combining learning with extensive application-based study and professional ethics, thus maximizing one's overall potential and nurturing a winning mentality in each of our students. We believe in a radical approach towards education with in-depth study and international teaching methodology that encourage a practical application of knowledge along with a code of ethics, hence developing one's inner self and providing the perfect edge.

- Eight major schools and over 50+ postgraduate and professional courses.
- Highly esteemed faculty members with decades of academic and industry experience .
- Foreign language classes for UG and PG students .
- Sprawling 300-acre campus and world-class infrastructure .
- State-of-the-art facilities, fully furnished hostels and recreation centres.
- Recognized by UGC under Section 2(f) of UGC Act. 1956 and established by the Uttar Pradesh Private Universities Act. 2011 (UP Act no. 2 of 2012) (as passed by the Uttar Pradesh legislature)

VISION

Global canvas, local colours—that is what we, at Glocal, simply believe in. It is the prism that refracts all our endeavours—whether it is our architecture, curriculum design, pedagogy, hostel life, laboratories, café or the library. In short, we simply celebrate the liminal space where the 'global' meets the 'local'. We are traditional, yet we are not. We are modern, yet we are not really so. We understand the hybrid nature of the global workplace and that is why, no binaries constrain us. To flourish in the world today, one cannot afford substantive and rigid visions of the good life. One has to appreciate the negotiated nature of the contemporary. That is why we emphasize reflexivity, flexibility, diversity and accommodation as key values. While that is the ethos of critical engagement we aspire to craft, we are equally keen to develop top quality professionals for our customers: the corporate, public sector and the academia.

MISSION

At Glocal University, we are committed to producing top-notch professionals who have a zeal for perpetual learning and are capable of performing well in diverse professional and cultural settings. While we provide the students with all the tools required to successfully take on the world, we also endeavour to instil in them a healthy cultural rootedness that combines the best of traditional values with modern and progressive sensibilities.

GLOCAL SCHOOL OF AGRICULTURAL SCIENCES

- The school of Agricultural sciences envisages to provide foundation for knowledge-led, technology-driven, intellectually satisfying and economically rewarding enterprise, for ensuring livelihood security and improved quality of life of people.
- To achieve excellence and relevance in education, technology development, dissemination and knowledge management in agriculture.

RESEARCH CENTRES

Faculty of the school supervise the functions of following proposed research centers that offer the ground for evaluation and validation of agro technologies.

CROP RESEARCH CENTRE

HORTICULTURE RESEARCH CENTRE

VEGETABLE RESEARCH CENTRE

AGRO-FORESTRY RESEARCH CENTRE

MEDICINAL RESEARCH & DEVELOPMENT CENTRE

MODEL FLORICULTURE CENTRE

EDUCATIONAL VISITS

FRI, DEHRADUN

MOLECULAR BIOLOGY LAB, ZSI

SERVICES

The school offers following services to its clientele:-

- Agro-advisory services through on farm demonstrations, front line demonstrations, trainings, consultancy.
- Weather Forecasting
- Soil Testing
- Pest Surveillance
- Plant Clinic
- Placement Cell

SPECIAL FEATURES

Regular up-gradation of course curricular:

- Fourth Dean's committee recommendations of ICAR for revised undergraduate programme for the course and curriculum have been implemented from 2015-16
- 200-210 net instructional days
- Course work 165-170 credit hours
- Personality development

Practical Training

- Practical Crop Production (PCP)
- Earn while you learn programme
- Work programme
- Rural agricultural work experience (RAWE)

Practical Crop Production (PCP)

- PCP for two semesters based on the model of G B Pant university of Agriculture & Technology, Pantnagar.
- Inculcates team spirit and dignity of labour
- 1.0 ha. Land to a team of 6-8 students is allotted
- Experimental learning through earn while you learn

DIPLOMA IN AGRICULTURE (ONE YEAR COURSE)

OBJECTIVES

- ✓ Orientation of Students on location-specific crop production technologies of broad-based agriculture with reference to field problems.
- ✓ Building the capacity of Students for efficient handling of agricultural Inputs.
- ✓ To enhance knowledge about the laws governing regulation of agricultural Inputs.
- ✓ To Make Students an effective source of farm information person at the village level.

MISSION

- ✓ To transform Students into para-extension professionals thereby strengthening the agricultural extension system so as to enable themselves to serve the farmers better.

COURSE STRUCTURE

Duration: One year

Module-wise course curriculum.

- ✓ Extension Approaches and Methods.
- ✓ Seed & Seed Production.
- ✓ Soil Health Management.
- ✓ Agro Ecological Situations.
- ✓ Rainfed Farming.
- ✓ Crop Production Technology of major local crops.
- ✓ Irrigation Techniques and their Management.
- ✓ Weed Management.
- ✓ Farm Implements and Machinery.
- ✓ Plant protection and pesticides management.
- ✓ Acts, Rules and Regulations related to Agricultural Inputs.
- ✓ Schemes related to Agricultural Sector.
- ✓ Pest and disease Control in Agriculture.
- ✓ Other Optional Areas based on requirement.

Eligibility

10th pass, Preference will be given to input dealers.

Enrollment of Candidates

The enrolment may be done through online through university official website or offline from Admission office in University campus at Saharanpur, or you may get in touch with our Authorised District Admission Executive.

पाठ्यक्रम संरचना

अवधि - एक वर्षीय
मॉड्यूल अनुसार पाठ्यक्रम

- ✓ एक्सटेंशन दृष्टिकोण और तरीक
- ✓ बीज और बीज उत्पादन
- ✓ मृदा स्वास्थ्य प्रबंधन
- ✓ एग्रो परिस्थितिक हालात
- ✓ वर्षा आधारित खेती
- ✓ प्रमुख स्थानीय फसलों के फसल उत्पादन प्रोद्योगिकी
- ✓ सिंचाई तकनीक और उनके प्रबंधन
- ✓ खरपतवार प्रबंधन
- ✓ कृषि यंत्रों और मशीनरी
- ✓ पादप संरक्षण और कीटनाशी प्रबंध
- ✓ अधिनियम नियम और विनियम कृषि इनपुट से संबंधित
- ✓ कृषि क्षेत्र में संबंधित योजनायें
- ✓ कीट और कृषि में रोग नियंत्रण
- ✓ अन्य वैकल्पिक क्षेत्रों में आवश्यकता के आधार पर

योग्यता

10 वीं पास, इनपुट डीलर को प्राथमिकता दी जायेगी

उम्मीदवारों का पंजीकरण

पंजीकरण विश्वविद्यालय की अधिकारिक वेबसाइट के माध्यम से ऑनलाइन या सहारनपुर में विश्वविद्यालय परिसर के दाखिला कार्यालय से ऑफलाइन के माध्यम से किया जा सकता है। या आप हमारे अधिकृत जिला एडमीशन अधिकारी के संपर्क में आ सकते हैं।

FEE STRUCTURE

✓ Total Fee of Diploma in Agriculture (One Year Course)
Rs. 27000/- (Twenty Seven Thousand Rupees Only).

✓ Fee can be paid maximum in two installments before the start of each semester.

If total fee of both semester is paid at the time of admission
✓ then payable amount will be **Rs. 26000/- (Twenty Six Thousand Rupees Only).**

Fee payment can be made through:

✓ 1. By **Demand Draft** in favour of **THE GLOCAL UNIVERSITY** payable at **Saharanpur (U.P)**

2. By **NEFT/RTGS.**

Bank Account Details is as follows:

AXIS BANK LTD.

Account Name: THE GLOCAL UNIVERSITY

IFSC Code: UTIB0000420

Account Number: 920020050050045

Note:

1. Kindly note that fee paid once will not be refundable in any case.

2. For Diploma Certificate University will charge Rs. 1000/- apart from course fee.

HOW TO REACH US

Location:

Delhi-Yamunotri Marg, (State Highway 57),
Mirzapur Pole, Dist - Saharanpur,
U.P. - 247121, India

Website:

www.glocaluniversity.edu.in

BY AIR

From New Delhi to Dehradun Airport,
90 minutes drive to University from Dehradun Airport.

BY TRAIN

Nearest Railway Stations are Saharanpur
Dehradun, Roorkee & Yamuna Nagar.

BY ROAD

40 minutes drive from Saharanpur(UP)
25 minutes drive from Herbertpur(UK)
55 minutes drive from Yamuna Nagar (HR)

1.5 Hour from Dehradun(UK)
55 minutes drive from Paonta Sahib(HP)
75 minutes drive from Roorkee(UK)
