Lingaya's Society (Formerly Lingaya's Jankalyan Shikshan Sanstha) was established in the memory of the freedom fighter Late Shri Lingaya Gadde, who sacrificed his life to free his motherland, from the shackles of conventionalism, illiteracy and poverty.

Our society is inspired by the strength of such freedom fighters. Shri Lingaya Gadde, an agriculturist by profession, took part in the 1923 Civil Disobedience and Quit India Movement and went to jail several times.

He wrote several books on socio-communist issues. He was the editor of "Navyuga", communists party organizer and also the founder of "Adarsa Grandha Mandali", Elamaru, Andhra Pradesh. The Society lays its foundation in its belief in social development and its walls are made up of devotion, sacrifice, sanctity of feeling and candid thoughts, thus making it strong to achieve the dreams of the brave freedom fighters.

MISSION

Diploma in Agriculture Science

OBJECTIVES

- Orientation of input dealers on location-specific crop production technologies of broad-based agriculture with reference to field problems.
- Building the capacity of input dealers in efficient handling of Inputs.
- To impart knowledge about the laws governing regulation of agricultural Inputs.
- To Make input dealers an effective source of farm information at the village level (one stop shop) for the farmers.

MISSION

- To transform practicing input dealers into para-extension professionals thereby strengthening the agricultural extension system so as to enable these input dealers to serve the farmers better.

TRANSFORMATION OF INPUT DEALERS INTO PARA AGRICULTURE EXTENSION PROFESSIONALS

In India, there are about 3 lakh practicing agri-input dealers, who are the prime source of farm information to the farmers. The contact point for majority of farmers is the agri-input dealers. While purchasing different inputs required for farming operations, the farmer naturally tires to find out from the input dealer about the usage of inputs, both in terms of quality and quantity.

However, most of these input dealers do not have formal agricultural education. If these input dealers can be shaped as para-extension professionals by providing requisite knowledge, they can professionalise extension services and contribute to bring a paradigm shift in Indian Agriculture. So that Government of India issued a Gazette Notification on 1st February, 2017.
